

3 How students submit Turnitin Assignments in eLearning_video

Greetings. In this video you'll learn how to submit a turn in assignment.

First, locate the Turnitin Assignment and click on its name.

to review the assignment details that include any written instructions, the start due and feedback dates, available Rubrics, the Max point value and any additional settings.

Drag and drop or select Browse files to upload your file.

Add the submission title to review the supported file types and then select Upload and Preview.

When prompted, double check that you have uploaded the correct file, entered the correct title, and met your word count. Now select to complete your assignment upload.

You should now see the submission success banner, the title of your paper and the date of the upload.

If your instructor allows resubmissions, then you will see the resubmit button. receipt icons.

Because Turned in does not e-mail you a submission confirmation, please download the receipt for your record of completion.

Once you download the receipt and open the PDF, you can review the submission information.

Now that you know how to submit a Turnitin in assignment, please watch our next video on how to review a Turn in Submission for its Similarity Report and for your grade.

If you are unable to see the turn in link or have questions by your turn in assignment, please contact your instructor or TA before emailing elearning@utdallas.edu.
